RE: The BIG Sleepout Website

Dear James and Chris,

We wanted to thank you for your support, time and expertise in creating The BIG Sleepout website.

The BIG Sleepout is our signature event and is now in its 6th year. For sometime we've wanted a specific website to improve supporters experience of the event and hopefully enable more people to take part. We're thrilled our supporters will now be able to register online, access information and photos. The site will allow us to make more efficient use of staff time and resources.

Purple Penguins dedicated ongoing support of SAFE@LAST is very valuable to us. We rely on the generosity of supporters like yourselves especially in this current challenging economic climate, when there is more demand for our services than ever but fundraising is becoming increasingly difficult.

I huge thank you to Chris for his creativity, patience and ongoing technical support, always on hand at a moment's notice! With such help we are able to continue to run events such as The BIG Sleepout and as a result support vulnerable children and young people.

Thank you once again and we hope you'll consider taking part in the event again!

Yours sincerely
